

Kita Kita Sapporo Location map

1 VELO TAXI SAPPORO
Lea was a Filipino tourist guide and also a driver of Velotaxi. Velo taxis are taxis that utilize bicycles originating in Berlin, and have been operating in Sapporo since 2008.

2 SAPPORO TV TOWER
TV Tower's observatory deck was the place where Lea's Japanese boyfriend proposed marriage to Lea. It located in the first block of Odori Park, and has a great view of the entire park from its observatory.

3 ODORI PARK
Lea talked about 'time' with a little girl in Odori Park. It is a downtown oasis stretching approximately 1.5 km from east to west.

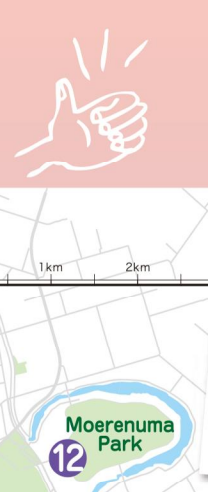

4 CLOCK TOWER
Lea guided the old couple in front of the Clock Tower. It was constructed in 1878 as a drill hall of Sapporo Agricultural College.

WHERE DO YOU WANT TO GO?

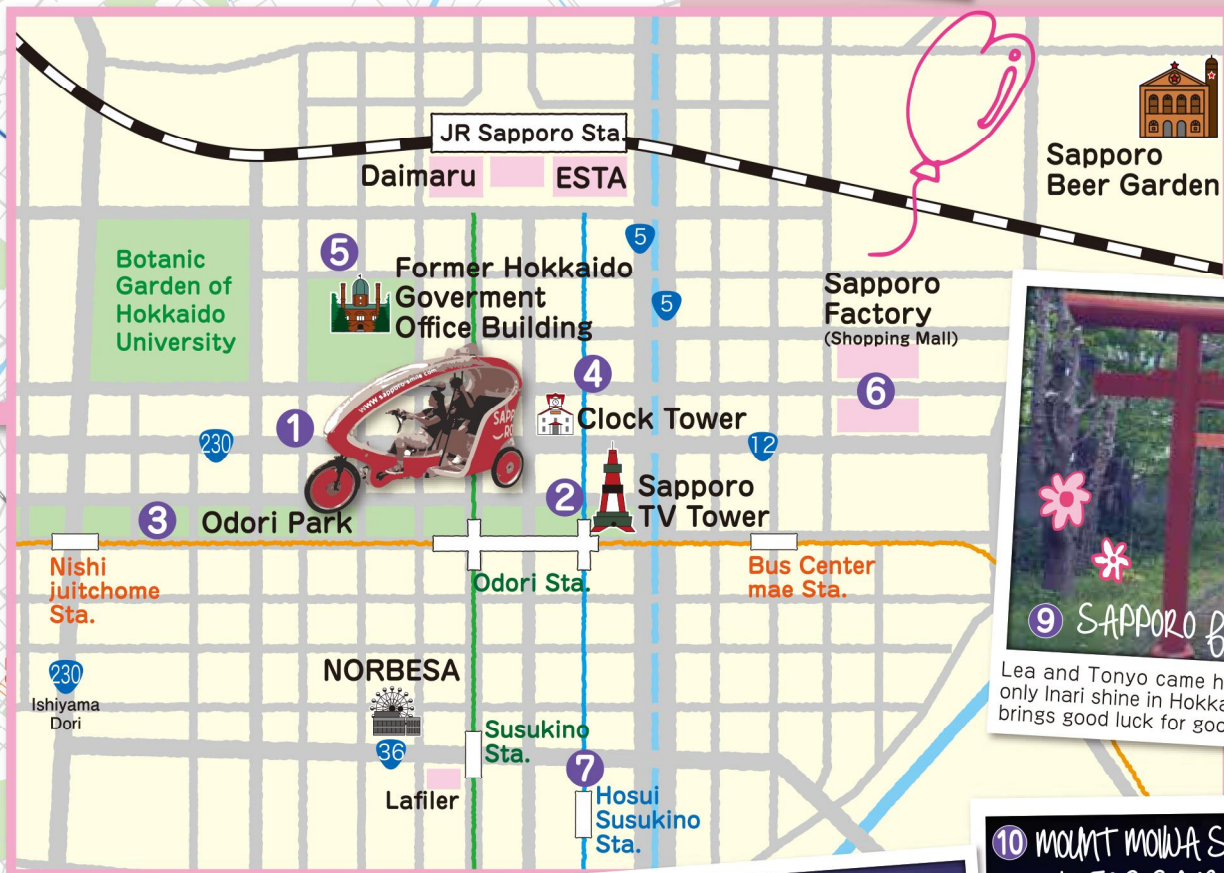

6 SAPPORO FACTORY
The place where Lea and Tonyo first met. Approximately 160 facilities are gathered into the 7 buildings, some which are brick and give one the feel of the pioneering days, and one with a large glass atrium.

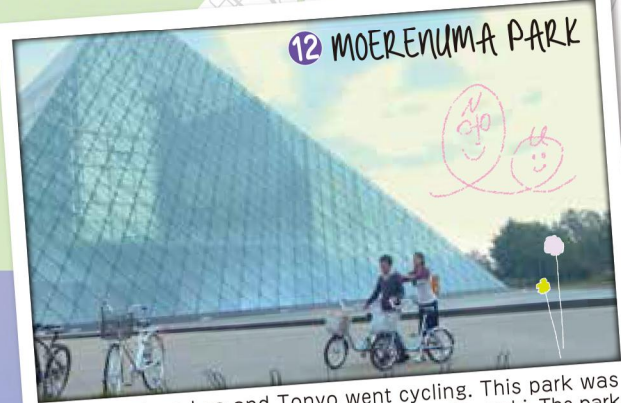

7 SUSUKINO
Lea and her Japanese boyfriend met in a bar called 'songbird' which located in Susukino. Susukino is the largest entertainment district north of Tokyo - is comprised of approximately 3,500 restaurants and entertainment facilities.

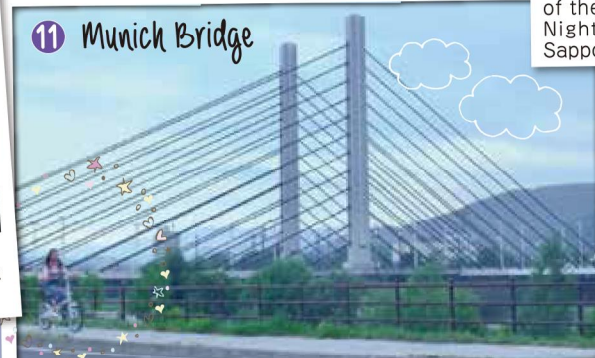

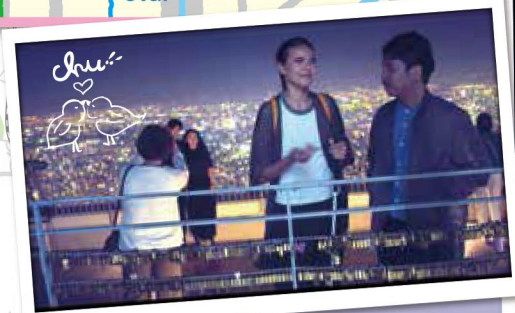

8 MARUYAMA PARK
Lea had her bento (lunch box) at Maruyama Park. This park is one of the best places to view cherry blossoms in Sapporo.

9 SAPPORO BUSHIMI INARI SHRINE
Lea and Tonyo came here to pray for Lea's eyes. This is the only Inari shrine in Hokkaido. This shrine is a 'power spot' which brings good luck for good relationships.

12 MOERENUMA PARK
The park where Lea and Tonyo went cycling. This park was designed by the world-famous sculptor Isamu Noguchi. The park constitutes a large campus where nature and art come together.

11 MUNICH BRIDGE
Lea passed through Munich bridge everyday when she went to work. The bridge was constructed in 1991 to celebrate the relations between Sapporo and Munich.

10 MOUNT MOIWA SUMMIT OBSERVATORY DECK - LOVERS SANCTUARY
Lea and her lovers (the first time was Nobu, second time was Tonyo) pledge their love for each other by ringing the bell. One of the most popular spots in Sapporo, the New Three Major Night Views of Japan. From an elevation of 531 meters, Sapporo's city lights sparkle like jewels in the night.

5 FORMER HOKKAIDO GOVERNMENT OFFICE BUILDING
Lea drove Velotaxi pass through the Red Bricks, Former Hokkaido Government Office Building. It is a neo-baroque brick building constructed in 1888.

I'm happy!!
