### Zürich-Zugerland-Panoramaweg

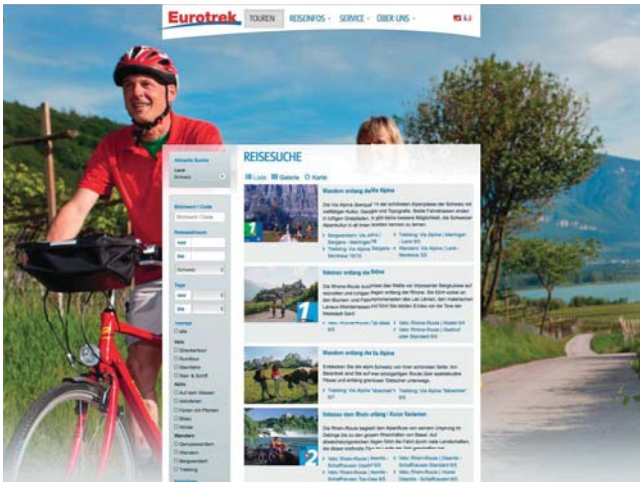

Panoramic views towards Lake Zurich and the Alpine foothills accompany hikers along the Albis chain to the Albishorn. In Ebertswil, the milk soup stone commemorates the Kappel milk soup of 1529, an important event in Swiss history. The trail then follows the old Lorze river from Baar to Zug.

 Stage 02  
 Distance  
**21 km**  
 Duration  
**5 h 30 min**
