Special Features

Moerenuma Park is a vast art park designed by world-famous sculptor Isamu Noguchi and has been attracting a lot of attention due to its unprecedented scale since its grand opening in 2005. The park is home to 15 sports and other facilities, and the Glass Pyramid is well known as its symbolic structure. Visitors can experience the beauty of the 32-meter high glass top view from inside of the pyramid. It is warm in winter, and many visitors enjoy it as a recreation area.

The Glass Pyramid also features four facilities: Space 1 is fully equipped with visual devices such as projectors and can be used for conferences; Space 2 is open-structured and suitable for exhibitions and workshops; and Atrium 1 and 2 are available for concerts and wedding ceremonies.

Facilities/Notes

Main Equipment for Loan or Rent

Chairs, desks, writing kit (with charge), round table, full-length mirror, rope partition, and signature stand are available throughout the entire facility.

Audio system, video player, projector with screen, and microphones are for rental in Space 1.

Service

Language Services
