JTE:	Hi, Mr. Hunter. Great job today! How was the lesson?	労いの言葉と振り返りを話し合う
ALT:	Thank you. The lesson went well, I enjoyed it.	
JTE:	Thank you. What was your impression on greetings and the ice-breaker?	※導入の振り返り
ALT:	I think it was generally good because almost all students were able to answer or ask the questions.	※Small Talk の振り返り
JTE:	That's good to hear. How about "Small Talk"?	※生徒の活動の様子を共有
ALT:	The students understood what they were supposed to do, so our demonstration was good. However, some students couldn't keep the conversation going.	※提案を求める場合 ※主の活動についての振り返り
JTE:	I see. So do you have any suggestions to help them?	
ALT:	Yes. Maybe their conversation skills can improve if we continue doing this and if we encourage them to learn more words.	
JTE:	I like your feedback. Lastly, what do you think about the main activity?	
ALT:	It was awesome, the students worked so well in groups. It gave the shy students a boost and they were able to introduce their book to me.	
JTE:	Thank you very much. Do you have anything else to say or questions?	※場合によっては、 <u>JTE から ALT への要望をしっかりと伝えることが大切</u>
ALT:	Sure, thank you for asking. How did I do as your assistant? Was there anything I did that I shouldn't have?	
JTE:	You did great. Maybe for next time I would like you to stand next to me for the first few minutes, you can move around the classroom after the activity.	
ALT:	Thank you for your feedback.
